Independent Auditor's Report

To the Members of Jailaxmi Realty and Developers Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of **JAILAXMI REALTY AND DEVELOPERS LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2019, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2019 and its loss including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) as specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the director's report included in the annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
- d) In our opinion, the aforesaid Financial Statements comply with the Indian Accounting Standards prescribed under section 133 of the Act read with relevant rules issued thereunder.
- e) On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164(2) of the Act;
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure A**”;
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the no remuneration paid by the Company to its directors during the year and hence applicability of section 197 does not arise.

- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (a) The Company has disclosed the impact of pending litigations in Note No. 18, which would impact its financial position in its financial statements.

- (b) The Company does not have long term contracts including derivative contracts for which there were any for material foreseeable losses
 - (c) There has been no amounts during the year, which required to be transferred, to the Investor Education and Protection Fund by the Company;
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India, in terms of sub-section (11) of Section 143 of the Act, we give in "**Annexure B**" hereto, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

“ANNEXURE A” TO INDEPENDENT AUDITORS’ REPORT

(Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date to the members of Jailaxmi Realty And Developers on the Financial Statements for the year ended 31st March, 2019)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Jailaxmi Realty And Developers Limited (“the Company”)** as of 31st March, 2019 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2019 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

The Company has not granted any loan, secured or unsecured, to companies, firm or other parties covered in the register maintained under Section 189 of the Companies Act, 2013 and hence the provisions of clause (iii) of paragraph 3 of the said Order are not applicable to the Company.
- iv. According to information and explanations given to us, the Company has not entered in to any transection in respect of loans, investment, guarantees and security covered under section 185 & 186 of the Act, hence the provisions of clause (iv) of paragraph 3 of the said Order are not applicable to the company.
- v. According to the information and explanations given to us, the Company has not accepted any deposit from the public. Therefore, the provisions of clause (v) of paragraph 3 of the Order are not applicable to the Company.
- vi. According to the information and explanation given to us, Cost records pursuant to Companies (Cost Records & Audit) Rules 2014 prescribed by Central Government under section 148 (1) (d) of the Act are not applicable in respect of activities carried out by the Company, hence the provisions of clause (vi) of paragraph 3 of the said order are not applicable to the company.
- vii. According to the information and explanations given to us in respect of statutory dues:
 - a. The company has been generally regular in depositing undisputed statutory dues, including provident fund, employees' state insurance, income tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, Goods and Service Tax (GST), cess and any other statutory dues with the appropriate

authorities during the year. According to the information and explanations given to us, no undisputed amounts payable in respect of such statutory dues were outstanding as at 31st March, 2019 for a period of more than six months from the date they became payable.

- b. The disputed statutory dues aggregating to Rs. 6,81,52,836/- that have not been deposited on account of matters pending before appropriate authorities are as under :-

Name of the Statute	Nature of the Dues	Amount in Rs.	Period	Forum where dispute is pending
Income Tax Act, 1961	Income Tax	6,81,52,836/-*	AY 2008-09 & AY 2009-10	Commissioner of Income Tax (Appeal)
Total		6,81,52,836/-		

(*) Net of Rs.2,11,65,000/- deposited under protest.

- viii. Based on our audit procedures and according to the information and explanations given by the management, the Company did not have any loans from banks, financial institutions or by way of debentures. Therefore the provisions of clause (viii) of paragraph 3 of the said Order are not applicable to the company.
- ix. According to the information and explanations given to us, during the year the Company did not raise any money by way of initial public offer, further public offer (including debt instruments) and term loans during the year. Therefore, provisions of clause (ix) of paragraph 3 of the Order are not applicable to the Company.
- x. Based on our audit procedures performed for the purpose of reporting the true and fair view of the financial statements and on the basis of information and explanations given by the management, no fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.
- xi. In our opinion and according to the information and explanations give to us the Company has not paid/ provided managerial remuneration and hence the provision of clause (xi) of paragraph 3 of the Order, are not applicable to the Company.
- xii. In our opinion and according to the information and explanations, the Company is not a Nidhi Company and hence the provisions of clause (xii) of paragraph 3 of the Order are not applicable to the Company.

- xiii. In our opinion and according to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable Indian accounting standards.
- xiv. According to the information and explanations given to us and based on our examination of the records of the Company, during the year, the Company has not raised any money by preferential allotment or private placement of share or debentures. Therefore, the provisions of clause (xiv) of paragraph 3 of the Order are not applicable to the Company.
- xv. According to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with directors or persons connected with him, Therefore, the provisions of clause (xv) of paragraph 3 of the Order are not applicable to the Company.
- xvi. In our opinion and according to information and explanations provided to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.

JAI LAXMI REALTY AND DEVELOPERS LIMITED**Notes to the Financial Statements for the year ended on 31st March, 2019**

	<p><u>Company Information</u></p> <p>Jay Laxmi Realty & Developers Limited (‘the Company’) is a company limited by shares and is domiciled in India. The Company’s registered office is at 11B, Wing, Mittal Tower, Free Press Journal Marg, Nariman Point, Mumbai - 400 021. These financial statements are the separate financial statements of the company. The company is primarily involved in Real Estate Business</p>
	<p><u>Basis of Preparation</u></p> <p>The separate financial Statements have been prepared to comply in all material aspects with the Accounting Standards notified under Section 133 of Companies Act, 2013 as per Companies (Indian Accounting Standards (Ind AS)) Rules, 2015 and other relevant provisions of the Companies Act, 2013 and rules framed thereunder.</p> <p>The Financial Statements have been prepared under the historical cost convention and on accrual basis, except for certain financial assets and liabilities measured at fair value.</p>
1	<u>Significant accounting policies</u>
a	Income taxes
	<p>The income tax expense or credit for the period is the tax payable on the current period’s taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.</p> <p>The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period.</p> <p>Deferred income tax is provided in full, using the balance sheet approach, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.</p> <p>Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.</p> <p>Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.</p> <p>Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.</p>
b	Investments and financial assets
	<p>Classification</p> <p>The company classifies its financial assets in the following measurement categories:</p> <ul style="list-style-type: none"> • those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and • those measured at amortised cost. <p>The classification depends on the entity’s business model for managing the financial assets and the contractual terms of the cash flows.</p> <p>For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.</p> <p>The company reclassifies debt investments when and only when its business model for managing those assets changes.</p>

	<p>Measurement</p> <p>At initial recognition, the company measures a financial asset at its fair value except investments in subsidiaries and associates plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.</p> <p>Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.</p>
	<p>Measurement of debt instruments</p> <p>Subsequent measurement of debt instruments depends on the company’s business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the company classifies its debt instruments:</p> <ul style="list-style-type: none"> • Amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost, is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method. • Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets’ cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method. • Fair value through profit or loss: Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss, is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the year in which it arises. Interest income from these financial assets is included in other income.
	<p>Measurement of equity instruments</p> <p>The company subsequently measures all equity investments at fair value except investments in subsidiaries and associates. Where the company’s management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the company’s right to receive payments is established.</p> <p>Changes in the fair value of financial assets measured at fair value through profit or loss are recognised as other gain/ (losses) in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.</p>
	<p>Impairment of financial assets</p> <p>The company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.</p>
	<p>De-recognition of financial assets</p> <p>A financial asset is derecognised only when</p> <ul style="list-style-type: none"> • The company has transferred the rights to receive cash flows from the financial asset or • retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients. <p>Where the entity has transferred an asset, the company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.</p> <p>Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the company has not retained control of the financial asset. Where the company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.</p>

JAI LAXMI REALTY AND DEVELOPERS LIMITEDNotes to the Financial Statements for the year ended on 31st March, 2019

c	Borrowings and other financial liabilities
	<p>Borrowings and other financial liabilities are initially recognised at fair value (net of transaction costs incurred). Difference between the fair value and the transaction proceeds on initial is recognised as an asset / liability based on the underlying reason for the difference.</p> <p>Subsequently all financial liabilities are measured at amortised cost using the effective interest rate method.</p> <p>Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss. The gain / loss is recognised in other equity in case of transaction with shareholders.</p>
d	Provisions, contingent liabilities and contingent assets
	<p>Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event. It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using equivalent period government securities interest rate. Unwinding of the discount is recognised in the statement of profit and loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.</p> <p>Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements. Contingent assets are not recognised. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.</p>
e	Borrowing costs
	Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to the statement of profit and loss as finance costs.
f	Earnings per share
	<p>Basic earnings per share is computed using the net profit for the year attributable to the shareholders' and weighted average number of equity shares outstanding during the year.</p> <p>Diluted earnings per share is computed using the net profit for the year attributable to the shareholder' and weighted average number of equity and potential equity shares outstanding during the year including share options, convertible preference shares and debentures, except where the result would be anti-dilutive. Potential equity shares that are converted during the year are included in the calculation of diluted earnings per share, from the beginning of the year or date of issuance of such potential equity shares, to the date of conversion.</p>
g	Cash and cash equivalents
	For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions and banks, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.
h	Inventories
	Cost of inventories consists of cost of land, land development expenses, material services, construction cost, interest and financial charges and other expenses related to project under development. In general, all Inventories of land are stated at lower of cost and net realisable value.
i	Current and non-current classification:

JAI LAXMI REALTY AND DEVELOPERS LIMITED**Notes to the Financial Statements for the year ended on 31st March, 2019**

	<p>The Company presents assets and liabilities in statement of financial position based on current/non-current classification. The Company has presented non-current assets and current assets before equity, non-current liabilities and current liabilities in accordance with Schedule III, Division II of Companies Act, 2013 notified by MCA.</p> <p>An asset is classified as current when it is:</p> <p>a) Expected to be realised or intended to be sold or consumed in normal operating cycle, b) Held primarily for the purpose of trading, c) Expected to be realised within twelve months after the reporting period, or d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.</p> <p>All other assets are classified as non-current.</p> <p>A liability is classified as current when it is:</p> <p>a) Expected to be settled in normal operating cycle, b) Held primarily for the purpose of trading, c) Due to be settled within twelve months after the reporting period, or d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.</p> <p>All other liabilities are classified as non-current.</p> <p>The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Deferred tax assets and liabilities are classified as non-current assets and liabilities. The Company has identified twelve months as its normal operating cycle.</p>
j	Fair value measurement:
	<p>The Company measures financial instruments at fair value at each balance sheet date.</p> <p>Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:</p> <p>a) In the principal market for the asset or liability, or b) In the absence of a principal market, in the most advantageous market for the asset or liability.</p> <p>A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.</p> <p>The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy.</p>
k	Off-setting financial Instrument:
	<p>Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable rights to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable rights must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or counterparty.</p>
I	SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS:
	<p>The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based on its assumptions and estimates on parameters available when the financial statements were prepared. However, existing circumstances and assumptions about future developments may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.</p>
	i) Income Tax:
	<p>The Company reviews at each balance sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to an adjustment to the amounts reported in the standalone financial statements.</p>
	ii) Contingencies:

JAI LAXMI REALTY AND DEVELOPERS LIMITED**Notes to the Financial Statements for the year ended on 31st March, 2019**

	Management has estimated the possible outflow of resources at the end of each annual reporting financial year, if any, in respect of contingencies/claim/litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.
	iii) Provisions:
	Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability require the application of judgement to existing facts and circumstances, which can be subject to change. Since the cash outflows can take place many years in the future, the carrying amounts of provisions and liabilities are reviewed regularly and adjusted to take account of changing facts and circumstances.
m	Recent Announcements:
	<p>On 30th March, 2019, the Ministry of Corporate Affairs (MCA) has notified Ind AS 116 – Leases and certain amendment to existing Ind AS. These amendments shall be applicable to the Company from 1st April, 2019.</p> <p>i) Issue of Ind AS 116 - "Leases" Ind AS 116 will replace the existing leasing standard i.e. Ind AS 17 and related interpretations. Ind AS 116 introduces a single lessee accounting model and requires lessee to recognize assets and liabilities for all leases with non-cancellable period of more than twelve months except for low value assets. Ind AS 116 substantially carries forward the lessor accounting requirement in Ind AS 17.</p> <p>ii) Amendment to Existing issued Ind AS The MCA has also notified certain amendments to the following Accounting Standards: i. Ind AS 103 – Business Combinations ii. Ind AS 109 - Financial Instruments iii. Ind AS 12 – Income Taxes iv. Ind AS 19 – Employee Benefits v. Ind AS 23 – Borrowing Costs</p> <p>iii) Applications of the above standards are not expected to have any significant impact on the Company's financial statements.</p>

Fair value hierarchy

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Level 1: hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments that have quoted price and financial instruments like Mutual Funds for which NAV is published by Mutual Fund Operator. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period and Mutual Fund are valued using the Closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in this level.

Financial assets and liabilities measured at fair value at each reporting date

(Amount in Rs)

Financial assets	As at 31 st March 2019			As at 31 st March 2018		
	Level 1	Level 2	Level 3	Level 1	Level 2	Level 3
Financial assets measured at FVTPL						
Investment in mutual funds	117,220	-	-	129,202	-	-
Total	117,220	-	-	129,202	-	-

During the years mentioned above, there have been no transfers amongst the levels of hierarchy.

Fair value for assets measured at amortised cost

The carrying amounts of cash and cash equivalents and other financial liabilities are considered to be approximately equal to the fair value.

JAI LAXMI REALTY AND DEVELOPERS LIMITED

Notes to the Financial Statements for the year ended on 31st March, 2019

15	<u>Financial risk management</u>					
	The company is exposed to credit risk, liquidity risk and Market risk.					
A	Credit risk					
	Credit risk arises from cash and cash equivalents carried at amortised cost.					
	Credit risk management					
	To manage the credit risk bank balances are held with only high rated banks.					
B	Liquidity risk					
	Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. For the Company, liquidity risk arises from obligations on account of financial liabilities – borrowings and other financial liabilities.					
	Liquidity risk management					
	The Company is responsible for liquidity and funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company’s net liquidity position through rolling forecasts on the basis of expected cash flows.					
	Maturities of financial liabilities

	Total	22,420	-	-	-	22,420

JAI LAXMI REALTY AND DEVELOPERS LIMITED**Notes to the Financial Statements for the year ended on 31st March, 2019**

C	Market risk
	Price risk
	The company holds investments in mutual funds. The Company's exposure to equity security's price risks arises from these investments held by the Company and classified in the balance sheet at fair value through profit or loss.
	Price risk management
	The company evaluates the performance of its investees on a periodic basis. In case, the investments are not performing adequately for a longer duration, the company sells or elects an exit from those investments.

		25,309,669	25,309,669

18.1

During the Assessment Year 2009-10 Income tax department had carried out search and seizure actions under section 132 of the Income Tax Act, 1961 (“Act”) in the case of the Company, its employees and close associates who were closely involved in the processing of acquiring the land. As a result, the Company had received demand under section 156 of the Act. The Company had disputed the same amount and paid Rs.2,11,65,000 till 31st March, 2019 under protest and filed an appeal against the above order with CIT (A). The Company has been advised that the above demands are not likely to be resulted into any liability and hence no provision is considered necessary in respect of the above matter.

18.2 Management of the view that above litigation will not impact the financial position of the Company.

JAI LAXMI REALTY AND DEVELOPERS LIMITED

Notes to the Financial Statements for the year ended on 31st March, 2019

Note 19 Segment Reporting

In the opinion of the Management and based on consideration of dominant source and nature of risk and returns, the Company's activities, during the year revolved around the single segment namely, "Builders and Developers". Considering the nature of Company's business and operations, there are no separate reportable segment (Business and/or Geographical) in accordance with the requirement of Ind AS 108 "Operating Segments" as notified.

Note 20

During the year Company has carried out detailed impairment exercise in respect of old land advances and accordingly Company has recognised provision for impairment of Rs. 15,70,939/- in respect of land advances and shown as exceptional item in the financial statement for the year ended 31st March, 2019.

Note 21

Previous period figures have been regrouped / re-arranged wherever necessary to make them comparable.
